- Liaised with international agencies for accreditation of various courses.
- Contributed for International students admissions and considered student’s advice
- Framed Distance Education policy and guidelines, directed in mapping management courses curriculum
- Knowledge of international accreditation processes, documentation and procedure

STRENGTH

As an educational administrator, vice chancellor, and director of planning with experience in various reputed educational groups and universities, my strengths lie in my ability to lead and inspire others, communicate effectively, think critically and strategically, solve problems, manage resources efficiently, develop policies and procedures, network with others, innovate and envision the future, analyze data, manage projects, pay attention to detail, plan strategically, manage risk, and engage stakeholders. These strengths enable me to effectively manage and improve educational institutions, while also empowering staff and students to achieve their goals and reach their full potential.

Vision

As an educational administrator, my vision is to elevate it to the forefront of academic excellence and innovation in the region. This includes enhancing the quality of education and services offered by the institution, creating an environment that fosters creativity, critical thinking, and problem-solving, and positioning the university as a leading institution in the region. I envision a university that celebrates diversity, embraces new technologies and methodologies, and empowers its students and staff to achieve their full potential. By pursuing these goals, we can attract the best and brightest students and faculty, enhance our reputation, and create a lasting impact on the community and society at large.

Declaration

I do hereby declare that all the information given above is true to the best of my knowledge and belief.

Dr Jagannath Patnaik
