

# One-Day Awareness Workshop on Entrepreneurship, Start-Ups and Innovation Ecosystem

**Program Coordinator: Mr. Ajit Karki**

**Assistant Professor**

**Dept. of Information Technology**

**The ICFAI University, Sikkim.**

About one-Day Awareness Workshop on Entrepreneurship, Start-Ups and Innovation Ecosystem:

In the wake of India Standing, Making & Prospering the culture of Entrepreneurship, the Atal Innovation Mission, NITI Aayog, Government of India has recognised SMUTBI as one of its Atal Incubation Centres. AIC-SMUTBIF aims to bring about a revolutionary change in entrepreneurial ecosystem in the entire North East India. AIC-SMUTBI boasts of setting up of world-class facilities, thus providing an excellent opportunity to all enthusiastic minds.

As the home to innovation, we proposed to provide a "One-Day Awareness Workshop on Entrepreneurship, Start-Ups and Innovation Ecosystem" to various Institutes across the state and the entire North-East region.

The workshop includes the following:

Introduction to Entrepreneurship

Journey of a Start-Up (Talks by Entrepreneurs)

Brainstorming Activity on real life problems and a glimpse of a startup meeting

It would be a great opportunity to get aware of the world-class facility at your doorstep and the processes of start-ups and entrepreneurship.
