

Reviving Our Planet: Every Action Counts – The ICAFI University, Sikkim Celebrates World Environment Day 2025

June 5, 2025

The Eco Club of The ICAFI University Sikkim celebrated World Environment Day on 5th June 2025 with great enthusiasm and active participation from students and staff. The event was themed ***"Putting an End to Plastic Pollution"***, aligning with the global call for sustainable solutions to plastic waste.

The program began at 10:30 AM with a welcome address by Mr. P.K Rai, Assistant Professor, followed by a key address by Dr. Santosh Sharma. Mrs. Sandhya Rani Pant, Deputy Registrar, addressed the audience and conducted an engaging quiz session focused on plastic pollution and environmental awareness. Students who answered correctly were awarded LED bulbs as a token of encouragement for their knowledge and eco-friendly choices.

The Hon'ble Vice Chancellor and Dr. Rohit Rathi, Registrar delivered insightful addresses on environmental responsibility and sustainable living. Each speaker emphasized the importance of developing a genuine emotional connection with nature and taking personal responsibility for its conservation. They urged everyone to be mindful of their consumption habits, especially in relation to plastic use, and stressed the need to stop plastic littering. A strong message was conveyed to minimize the use of PET bottle products and to avoid purchasing plastic-packaged items unless absolutely necessary, reinforcing the idea that real change begins with conscious individual choices.

The event concluded with a vote of thanks by Dr. Khina Maya Rimal, Dean. The event was both informative and enjoyable. The interactive quiz, thoughtful speeches, and student involvement made the celebration meaningful. It was a delightful occasion that reflected the university's commitment to environmental consciousness and community engagement.
