This Memorandum of Understanding (here in after called as the 'MoU' is entered into on the **18<sup>th</sup> April 2024** by and between **The ICFAI University, Sikkim** (Here in after **ICFAI** is called first party) and **Career Point University, Kota** (Here in after **CPU** is called second party).

## About First Party

**The Institute of Chartered Financial Analysts of India University, Sikkim** popularly known as **The ICFAI University, Sikkim** has been established under Section 4(2) of the **ICFAI University, Sikkim Act 2004 (Act 9 of 2004)** passed by Legislative Assembly of Sikkim, Having its principal office at ranka road, lower Sichey, Gangtok Sikkim-737101. Its guiding objective has invariably been to provide research-based qualitative education to the community through the preservation and conservation of our socio-cultural values.

## About Second Party

**Career Point University, Kota** (hereinafter referred as **CPU**) has been developing great minds for more than two decades. Continuing the tradition of excellence in delivering quality education and to push forward the boundaries of knowledge to positively impact people's lives, we started universities at Kota and Hamirpur. Our campuses have state-of-the-art infrastructure, best academic facilities and experienced faculty to help you to realize your full potential. All our courses are designed to provide you excellent learning, requisite expertise, rewarding qualification, practical exposure, hands on-learning and desired skills for a successful career.

**WHEREAS**, the Parties acknowledge their respective capabilities and expertise in the field of education and research, and desire to collaborate on mutually beneficial initiatives;

**WHEREAS**, the Parties intend to promote academic excellence, innovation, and cultural exchange through joint efforts;

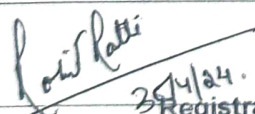

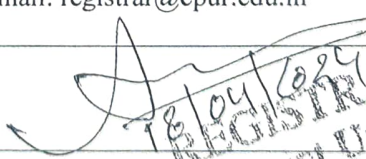

**NOW, THEREFORE**, the Parties hereby agree as follows:

- 1. Joint Research and Publication:** The Parties shall collaborate on interdisciplinary research projects of mutual interest. This collaboration may involve faculty members and researchers from both institutions. Additionally, the Parties shall explore opportunities for co-authorship and publication of research findings in reputable academic journals.

2. **Innovation and Patents:** Recognizing the importance of innovation, the Parties shall establish mechanisms for sharing innovative ideas and facilitating the patenting process for novel inventions originating from their respective institutions. They shall work together to foster an environment conducive to innovation and entrepreneurship.
3. **Conferences and Workshops:** The Parties shall organize joint conferences, seminars, and workshops on relevant themes and topics. These events will provide a platform for knowledge exchange and networking among academia and industry professionals, thereby contributing to the advancement of research and scholarship.
4. **Faculty and Student Exchange:** The Parties shall establish a faculty exchange program, allowing professors and researchers to spend time at each other's institutions. This program aims to foster cross-cultural learning and collaboration. Additionally, the Parties shall explore opportunities for student exchange programs in extracurricular activities such as sports, quizzes, debates, etc., to enhance the educational experience of their students.
5. **Mentoring:** The Parties express their willingness to provide guidance and mentorship to each other in various aspects of academic and institutional development. This may include assistance with curriculum design, pedagogical practices, and quality assurance mechanisms.

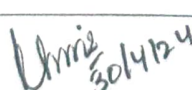

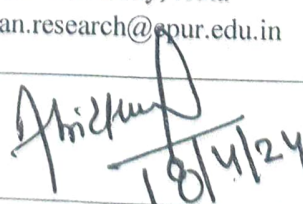

ICFAI and CPU welcome the establishment of this Memorandum for cooperation and jointly agree to the provisions as set out above.
