Subject: Welcome to the SPIN (Spatial Intelligence) Labs - Confirmation of Acceptance

Dear AJIT KARKI ,

Greetings from Technology Innovation Hub, IIT Tirupati.

We are pleased to inform you that the ICFAI university Sikkim's application to establish a Spatial Intelligence Laboratory (SPIN Lab) under the Geo-Intel Lab, IITTNiF has been accepted.

SPIN Labs has been established as a nationwide makers-space network to promote applied innovation, industry-academia collaboration, product development, and technology translation in Spatial Intelligence (Geospatial, Remote Sensing, Non-Invasive Technologies for Earth Observation & Beyond, Positioning, Navigation & Timing). Through this initiative, participating institutions will collaborate with leading academic institutions, industry partners, startups, and domain experts to nurture innovation, strengthen technical capabilities, and contribute towards national priorities in geospatial and digital technologies.

Your institution's commitment towards advancing education, research, innovation, and skill development aligns well with the vision of the SPIN Labs initiative. We are delighted to welcome your institution as a member of this growing national ecosystem dedicated to fostering applied innovation and industry-academia collaboration in Spatial Intelligence, Geospatial Technologies, Positioning and Navigation Technologies (PNT), Remote Sensing, GeoAI, Digital Twins, AR/VR, and other emerging technologies.

Further details regarding the execution, onboarding formalities, and implementation roadmap will be communicated in due course.

We congratulate your institution on being selected and look forward to working together in building a strong national network of Spatial Intelligence Laboratories.

For any queries or further information, please feel free to contact us at spinlabs@iittnif.com.

We look forward to a fruitful and long-term collaboration.

Regards,

Dr. Roshan Srivastav
