

INDUSTRIAL VISIT

The ICFAI University, Sikkim hosted an enriching Industrial Tour visit by the IT students from Government Secondary School, Samalingdum on 22nd Nov, 2023. This educational initiative aimed to provide students with a firsthand experience of the vibrant academic and technological environment at the university.

The Industrial Tour, organized on the 22nd of November, 2023, was a testament to The ICFAI University's commitment to fostering educational collaboration and community engagement. The visit allowed the students to explore the cutting-edge facilities, academic resources, and technological advancements prevalent in the university.

The students had the opportunity to interact with faculty members, industry experts, and professionals, gaining valuable insights into the world of Information Technology and its practical applications. The tour not only served as an educational endeavor but also inspired the students to envision their future academic and professional pursuits.
