

**The faculties of The ICFAI University Sikkim participated in an enlightening seminar
focused on "*Tools and Products of Higher Education Process.*"**

The seminar entitled “Tools and Products of Higher Education Process”, held on 4th Jan, 2024 provided a platform for educators to explore and discuss innovative tools and products that enhance the higher education experience.

The seminar aimed to foster a deeper understanding of emerging trends, technologies, and methodologies in the field of higher education. Faculties engaged in insightful discussions, sharing their experiences and insights on implementing effective tools and products to enrich the learning environment.
