

One day Entrepreneurship Awareness Program Organized by MSME - Development & Facilitation Office Gangtok (Ministry of MSME, Government of India)

Date: 05/03/2024

The Ministry of Micro, Small and Medium Enterprises (MSME), Government of India, organized a one-day Entrepreneurship Awareness Program at ICFAI University Sikkim, facilitated by the MSME Development & Facilitation Office. The primary objective of such programs is to foster entrepreneurial spirit among the youth, providing insights into various facets of industrial and business activities crucial for establishing Micro and Small Enterprises (MSEs).

The program targeted youth and individuals aspiring to venture into industrial or self-employment initiatives. The outreach extended to technical institutions, ITIs, polytechnics, and business schools, aiming to tap into existing skills and talents, thereby motivating participants towards self-employment.
