

## WORLD HEALTH DAY CELEBRATION AT BHOJOGARI CHILDREN HOME

*Date: 07/04/2024*

The NSS Cell of The ICFAI University, Sikkim, celebrated World Health Day in collaboration with Bhojogari Children Home, Gangtok. The event was graced by the presence of Deputy Registrar, Mrs. Sandhya Rani Pant, who emphasized the importance of promoting health and hygiene.

A total of 27 NSS students actively participated in the event, demonstrating their commitment to community service and health awareness. The main focus of the activity was to raise awareness about menstrual hygiene among adolescent girls and provide essential tips for proper handwashing and the use of sanitary pads.

During the event, NSS students delivered valuable speeches on menstrual hygiene, highlighting the significance of maintaining cleanliness and using hygienic products during menstruation. They also educated the children about the importance of washing hands properly to prevent the spread of diseases.

Furthermore, as a gesture of support and solidarity, The ICFAI University, Sikkim, distributed essential items to the orphanage, ensuring that the children have access to basic necessities for their well-being.

The event not only served as a platform for raising awareness about health and hygiene but also fostered a sense of empathy and responsibility among the NSS students towards the less fortunate members of society. It is hoped that such initiatives will continue to be organized in the future to make a positive impact on the community's health and well-being.
