

E-DAY April 05, 2017

Soft Skills Department of ICFAI University Sikkim observed an E-DAY on 5th April, 2017. An **Encouragement Day** was all about taking time out of our rushed lives to acknowledge the difference others have made to us and to generously lavish them with Encouragement.

The day began with a short program which included mime show, group song, role play, presentations and motivational speech followed by games and creative stalls like nail art, mehandi designs, hair style and makeover.

E-day was successful in bringing smile to everyone's face.
